

21 October 2008

ISO/TC 20/SC13

**ISO/TC20/SC13 Meeting
Tsukuba, Japan, 21 October 2008**

**Report of the United States Technical Advisory Group to ISO/TC20/SC13
June 2008 – October 2008**

Meetings

1. USTAG13 held its semi-annual meeting via a two day nationwide teleconference on 23 – 24 September 2008. The purpose of this meeting was to develop the official US technical working group positions to be conveyed during the October 2008 CCSDS/SC13 technical meeting series in Berlin, Germany.

Work Items

1. The following documents will be reviewed by USTAG13 and a response submitted to ISO:
 - ISO 22667:2005
 - ISO 22641:2005
 - ISO 15395:1998
 - ISO 22645:2005
 - ISO 22646:2005
 - ISO 22642:2005
 - ISO 22664:2005

Respectfully submitted:

Adrian J. Hooke, U.S. Representative to ISO-TC20-SC13
NASA Headquarters, Washington DC
