

ISO TC20/SC13 RESOLUTIONS from the **41th** International Organization for Standardization (ISO) Technical Committee (TC) 20 Subcommittee (SC) 13 on Space data information transfer systems **Meeting, Darmstadt, Germany, 24 April 2011:**

SC13-R-2012-4-1	The next, 42 th meeting will be an informal one. It is planned to be held at NASA/KSC, in Florida, U.S.A., in December 2012.
SC13-R-2012-4-2	Resolution is being maintained, for the benefit of mutual acquaintance, communication and coordination between ISO TC20/SC13 and ISO TC20/SC14 Subcommittees, with support of the combined Secretariats, with the monthly updated release to all the Members of both Subcommittees, their respective Programs of Work. In the case of the ISO TC20/SC13 Subcommittee the mentioned release will continue to be instrumented by pointing to all mentioned Members of both Subcommittees the public Web pages where the Program of Work of Subcommittee ISO TC20/SC13 is regularly displayed, that is: 1) In the ISO Livelink, and in; 2) The CCSDS CWE Websites.
SC13-R-2012-4-3	It was decided that a joint ISO TC20/SC13 – CCSDS Secretariat work will be hopefully completed by next meeting in order to define a complete list of what are expected to be their liaisons in common and those who are, in principle, restricted to be of interest of CCSDS. The point of departure for the mentioned list will be the current list which contains all the planned liaisons which are, in principle, under consideration.
SC13-R-2012-4-4	Continue on the development of the structuring of the information contents of ISO TC20/SC13 Subcommittee. The objective is that the structuring of the information contents (Meeting Packages, Programs of Work, Member Internal Lists, etc.) is to obtain a practical procedure for maintaining and updating the associated on a routine basis, as possible, under a simple methodology and easily understandable architecture. This objective is already being gradually obtained with information contents which are already being regularly being made available in the restricted access and in the public segments of the Subcommittee Web pages: 1) In the ISO Livelink Website, and; 2) In the CCSDS CWE Website.
SC13-R-2012-4-5	In view of the end of the current term of Eduardo Bergamini as the Chairman of the ISO TC20/SC13 Subcommittee, after the coming, 42 nd meeting to be held in December 2012, he expressed his willingness to step down from his chairmanship should other Member candidates present, at the occasion of the coming meeting, their intention to take up the chairmanship of the Subcommittee. Otherwise, Eduardo Bergamini also expressed his willingness to be considered for a new term of chairmanship in the Subcommittee.
SC13-R-2012-4-6	Thanks are expressed to ESA/ESOC, in the person of Dr. Juan Mirò and Dr. Nestor Peccia and to DIN, in the person of Dr. Martin Pilgram, for making available the very convenient facilities of the ESOC Center, in Darmstadt, Germany, which permitted the realization of the 41 th Meeting of the ISO TC20/SC13 Subcommittee.
