

**ISO TC20/SC13
2007 January Draft Resolutions**

SC13-R-2007-01-1	Resolves to consult ISO Central Secretariat (Mr. F. Abram) and ISO/TC20/SC14 to determine an appropriate procedure and resolution of control issues concerning the joint development of a space navigation standard.
SC13-R-2007-01-2	Resolves to consult with ISO/TC20 for endorsement of an appropriate resolution of control issues directed to the joint development of a space navigation standard.
SC13-R-2007-01-3	Resolves that, with possible endorsement from ISO/TC20, ISO/TC20 SC13 and SC14 should exchange a preliminary program of work information and develop a general joint working procedure aimed to determining new work items for joint cooperation.
SC13-R-2007-01-4	Resolves to thank Dr. John D. Kelley for his important and most valuable contribution to the ISO/TC20/SC13 effort, in his role as its Secretary, now being acted by Mr. Mike Kearney.
SC13-R-2007-01-5	Resolves to thank the AIAA for the excellent meeting facilities and hospitality for the January 2007 31st ISO TC20/SC13 meeting.

ISO TC20/SC13
2007 January Draft Action Items

SC13-A-2007-01-1	<p>Consult with ISO Secretariat (Mr. F. Abram) and, in sequence, with ISO/TC20/SC14 Chairman to determine the appropriate procedure and subsequent resolution of control issues for the joint development of a space navigation standard, after Dr. D. Finkleman presentation and subsequent plenary discussions held with him in the 31st meeting of ISO/TC20/SC13.</p> <p>Action: SC13 Chairman Due date: Before the 2007 May ISO/TC20/SC14 meeting.</p>
SC13-A-2007-01-2	<p>Address ISO/TC20 for the committee endorsement of the joint ISO/TC20 SC13 and SC14 resolution and associated procedure related to control issues directed to the development of a space navigation standard.</p> <p>Action: SC13 and SC14 Chairman Due Date: 30 June 2007</p>
SC13-A-2007-01-3	<p>With support of ISO/TC20 Chairman, exchange a preliminary program of work information and a basic request for the elaboration of a general joint working procedure for review and consideration by ISO/TC20 SC13 and SC14, for determining if there are any new, potential new work items that could benefit from a joint cooperation between the two subcommittees.</p> <p>Related Survey Action: Mr. Craig Day, AIAA Secretariat/SC13 Action: SC13 and SC14 Secretariats and Chairmen Due Date: To serve as an input to the ISO/TC20/SC14 2007 May meeting.</p>
