

**ISO TC20/SC13
2007 January Draft Action Items**

<p>SC13-A-2007-01-1</p>	<p>Consult with ISO Secretariat (Mr. F. Abram) and, in sequence, with ISO/TC20/SC14 Chairman to determine the appropriate procedure and subsequent resolution of control issues for the joint development of a space navigation standard, after Dr. D. Finkleman presentation and subsequent plenary discussions held with him in the 31st meeting of ISO/TC20/SC13.</p> <p>Action: SC13 Chairman</p> <p>Status: Closed. A joint SC13-SC14 memorandum (Refs. N404/Aug.08.2007/SC13 & N528/ Aug.06.2007/SC14) was addressed to Mr. F. Abram from ISO Central Secretariat, reflecting a CCSD-SC13-SC14 agreement for production of a unique ISO Standard to be directly derived from the planned CCSDS 502.0-B-2 Recommendation for Space Data System Standard, under the ISO cover sheet method. The Chairman of SC13 wishes to give special mention to the participation of the Secretary of SC13 (and of CCSDS), the Chairman of CCSDS Navigation Working Group (NAV-WG), CCSDS MOIMS Area Director and to the Chair of CCSDS Engineering Steering Group (CESG), among others, for their dedicated participation in the intensive correspondence that preceded the closing of this Action Item.</p>
<p>SC13-A-2007-01-2</p>	<p>Address ISO/TC20 for the committee endorsement of the joint ISO/TC20 SC13 and SC14 resolution and associated procedure related to control issues directed to the development of a space navigation standard.</p> <p>Action: SC13 and SC14 Chairman</p> <p>Status: Closed. After a series of informal contacts with the Chairman of ISO/TC20, Mr. Bruce Mahone, among other directly involved parties, which also included the dedicated participation of the Secretary of SC13, it became possible to express in appropriate terms: a) A joint SC13-SC14 agreement toward the production of an unique ISO Standard in Orbit Data Messages (ODM), and; b) An SC13-SC14 "Agreement for Definition of a Joint Work Procedure for Identification and Exploration of Liaison Work Related to ISO Standards in Space Systems". Both items are appropriately reflected in the set of three SC13-SC14 References, under the respective numbers:</p>

	<p>1) N404/SC13-N529/SC14; 2) N405/SC13-N530/SC14, and; 3) N406/SC13-N531/SC14.</p>
<p>SC13-A-2007-01-3</p>	<p>With support of ISO/TC20 Chairman, exchange a preliminary program of work information and a basic request for the elaboration of a general joint working procedure for review and consideration by ISO/TC20 SC13 and SC14, for determining if there are any new, potential new work items that could benefit from a joint cooperation between the two subcommittees.</p> <p>Related Survey Action: Mr. Craig Day, AIAA Secretariat/SC13 Action: SC13 and SC14 Secretariats and Chairmen Due Date: To serve as an input to the ISO/TC20/SC14 2007 May meeting.</p> <p>Status: Closed. A procedure for the exchange of Program of Work information has been approved by SC13 and SC14 (SC13 References N405 and N406, and SC14 References N 530 and N531).</p>
