SEA SAWG Agenda

We will be holding our working meetings next week, 09-10 May. Here is the draft agenda. Please provide any feedback.

Tuesday, 09 May

AM:
- Review working agenda
- Review Green Book outline and proposed contents
- Identify any remaining gaps

PM:
- Review SOIS materials and identify any remaining issues or gaps
- Assemble SOIS materials into GB mock-up

Wednesday, 10 May

AM:
- Review MOIMS materials and identify any remaining issues or gaps
- Assemble MOIMS materials into GB mock-up

PM:
- Discuss MOIMS / SOIS overlap / integration approaches
- Revise GB as needed to reflect outcome of discussions
- Review materials for MOIMS / SOIS joint discussion
