CCSDS Security Working Group
Spring 2014 Meeting

31 March – 1 April 2014
Noordwijkerhout, The Netherlands

Howard Weiss
NASA/JPL/PARSONS*

• Identity crisis:
• Formerly SPARTA
• Formerly Cobham
• Formerly SPARTA
Dogbert is chairing the International Data Security Standards Group.

The goal of our organization is to make your security procedures so inconvenient that you give up hope and die from bed sores.

We take pride in being independent from the companies that fund us.
