

Spring 2021 MIA  
Virtual Meeting  
Agenda Topic

MIA will conduct one collaborative/virtual session on 19 May from 0800 – 1100 Central Time USA via NASA's TEAMS application. To participate in this session, a calendar invitation containing the TEAMS link from MIA Chairman Rodney Grubbs will be required. Please contact Rodney at [Rodney.grubbs@nasa.gov](mailto:Rodney.grubbs@nasa.gov) if you have not received a calendar invitation.

Agenda topics for the Session:

Review Status of RTP Book

Agency Red 2 Review comments/RIDS status

Interoperability Testing status & plan for final testing

Discuss future work for the group
