

# Space Link Services Area

## Resolution SLS-R-2021-05-008

### Publication of “Lossless Data Compression” CCSDS 120.0 Green Book Issue 4

**28<sup>th</sup> May 2021**

Gian Paolo Calzolari      SLS Area Director

Gilles Moury                      SLS Deputy Area Director

**The Space Link services Area,**

**CONSIDERING** that the Data Compression Working Group

- has been conducting the required reconfirmation review of CCSDS-120.0-G-3 and determined that an update is required for this Green Book
- produced a updated version of the draft Issue 4 Green Book
- has consensus on requesting publication of new Issue 4

**RESOLVES** to request CESG & CMC to approve publication of “Lossless Data Compression” Green Book Issue 4

**RECOMMENDS** that the CESG & CMC approve this resolution and, finally

# Space Link Services Area

**REQUESTS** that CESG & CMC poll be conducted to accomplish this.
