

**Multispectral & Hyperspectral Data Compression Working Group**  
**Fall 2013 Meeting Agenda – San Antonio, Texas USA**  
(Draft of October 17, 2013)

**Oct 29 (TUE) – AM (8:45–12:30) & PM (13:30–17:30)**

- Lossy Compression: White Book on proposed decorrelating stage for use as preprocessor with updated CCSDS-122B (MHDC-A-1304-4, -6, -7); select transform stage for standardization (MHDC-A-1304-5)
- Lossy Compression: Review revised draft of 122B (MHDC-A-1304-2, -3)
- Lossy Compression: Determine whether to proceed with decorrelating stage as a separate Blue Book, or as additional chapters in Issue 2 of 122B

**Oct 30 (WED) – AM (8:45–12:30) & PM (13:30–17:30)**

- Lossy Compression: ESA lossy compression approach using 123B predictor: implementation & rate control (MHDC-A-1304-8, -9)
- Lossless Compression: Review of new and revised text in Green Book for CCSDS-123B (MHDC-A-1304-1, -10)
- Review outstanding action items
- Wrap up, assign new action items
